

Report of the two days CRE Webinar

Held on 3rd and 4th March 2022

Based on approval from RCI via letter F. No.7-15 (233)/ 2022-RCI dated 31 January, 2022 for the CRE Webinar, Department of Prosthetics and Orthotics, NILD Kolkata had organized a two-day RCI accredited CRE Webinar on "Functional Orthoses in Fracture management" held successfully on 3rd and 4th March 2022. There were 83 Participants attended the program from all over the country and abroad. The CRE was inaugurated by Dr. Ameer Equebal, Director, NILD, Kolkata. The welcome address was given by Mr Aratratran Patra, faculty P & O. The key-note was given by Dr. P. K. Lenka, HOD P&O NILD.

As per RCI norms, the whole technical session was recorded on Cisco-Webex for all the four sessions for up to minimum of six hours in a day. Participant those who have registered and confirmed for their payment by the account section were only included in the CRE program. A WhatsApp group for communication with all participants was created. The technical session was started by the Resource Persons on their individual sub-topics which were based on the CRE webinar main topic. Followed by each technical session, there was discussion and question-answer session after which the feedback form was sent to the WhatsApp group which each participant had to fill and revert with 15 min time before the new session. All the filled-up feedback forms were collected using Google form & sheet. Following was the schedule of 08 lectures with the name of resource persons and their topic delivered in two days:
